Application Form

Thank you for your interest in our school. Children may start our program at 2.9 through 5 years of age (they must be potty trained).

Before your child starts school with us, you will need to pick up a registration packet from the office and pay a registration/deposit fee of \$105.

This includes a \$50 non-refundable registration fee and a \$55 deposit fee. \$50 of the deposit holds your spot and will be deducted from your first month's tuition. \$5 is a supply fee for our two fundraisers during the year. The \$55 is refundable if you notify us of your child's withdrawal by July 1st. **AFTER JULY 1st THIS DEPOSIT IS NOT REFUNDABLE.**

A \$75 per student materials fee will be due on November 1st with your November tuition. When enrolling during the school year, the materials fee is due at the time of enrollment.
